

Next Generation Golf

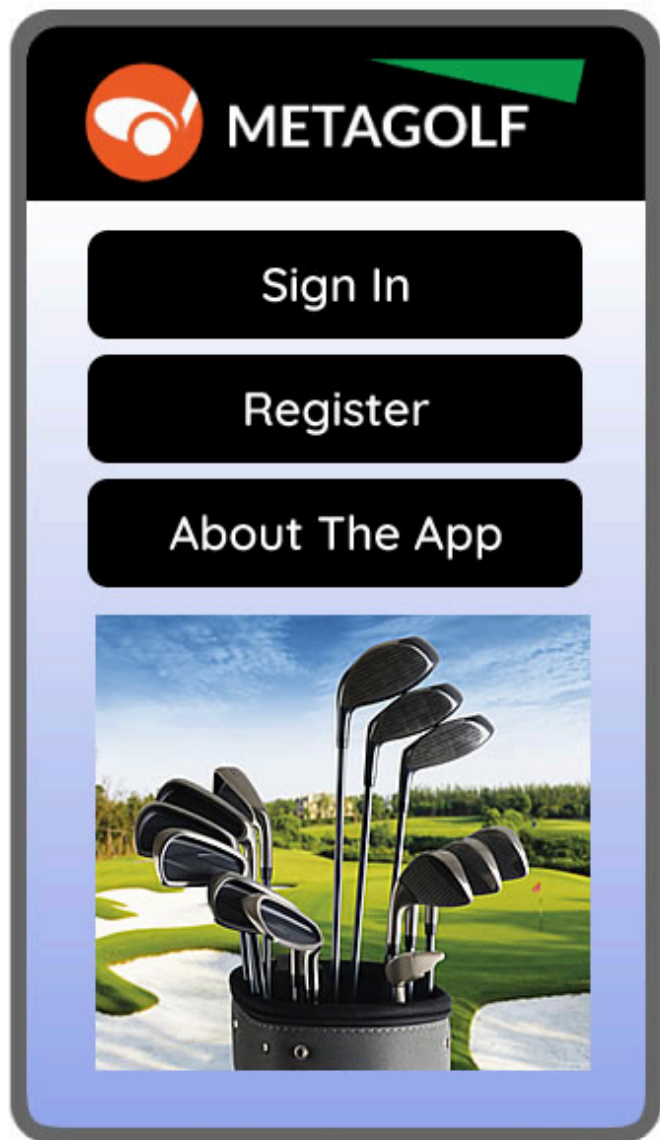

The golfing App for the competitive recreational golfer

Compete against other golfers across Canada, no matter on which course you play, or how well you play. Let our system track your performance.

Golfers - In the App, select from our list of GPS ready courses or suggest our game to your home course.

Courses - The App adds a competitive aspect to playing golf at your golf course. Employ the App in your league play program.

Sponsors - As a sponsor, your ad can appear every time one of our games is finalized. Ads rotate for 3 or 6 month intervals.
